## **WELCOME TO BERNARDSVILLE**

A group of students attending a teen arts and leadership camp offered by the Arts Center of Bernardsville designed and painted a mural representing the borough on a wall in an alley next to the Bernardsville Cinema. Working on the project on Thursday, July 16, are, from left, Christine Borowsky of Basking Ridge, Vickie Ravaioli of Basking Ridge and Max Guglietta of Bernardsville. The project was sponsored by a group of local business owners.
